

<b>PROJECT PROFILE</b>	Victory Cruise Lines m/v <b>VICTORY 1 &amp; 2</b>
Project Reference	US Flagged Jones Act Overnight Passenger River Cruise Vessel
Project Summary	Gerflor Karavel LVT Flooring - Elm & Walnut

Originally built at Atlantic Marine ( Jacksonville), *m/v Victory 1 & 2* were acquired by American Queen Steamboat Company and converted to service in US & Canadian Great Lakes, Canadian Maritimes and US East Coast. Both vessels were built to resemble traditional coastal steamers of the late 19<sup>th</sup> century.

Jeanine Bequette ASID , Directions in Design ( St. Louis, MO) selected Gerflor KARAVEL Wood-Look vinyl plank for its lifelike look, high wear, slip resistance and fire/smoke safety specification.

**Benefits of Gerflor Streamo LVT flooring:**

- 0.55 mm wear layer to offer the highest durability and strongest resistance to heavy traffic
- R10 slip resistance according to DIN 51 130 for an improved passengers' safety
- Fire/Smoke safe per USCG-IMO FTPs
- Industry leading highest life-like appearance and wide range of color/pattern selection.
